MEMORANDUM FOR SEE DISTRIBUTION

Subject: Office of Personnel Management Cyber-Security Breach of Security Clearance Applications Data

1. The U.S. Office of Personnel Management (OPM) recently became aware of a cyber-security incident affecting its systems and security clearance application data. The incident compromised the personal information of security clearance applicants and non-applicants, predominantly spouses or co-habitants of applicants. If an individual underwent a background investigation through OPM in the year 2000 or afterwards (which occurs through the submission of forms SF 86, SF 85, or SF 85P for new investigations or periodic reinvestigations), it is highly likely that the individual is impacted by this cyber-security breach.
2. For these applicants and spouses or co-habitants with stolen Social Security Numbers and other sensitive information from OPM databases, OPM and the Department of Defense (DOD) will work with a private-sector firm specializing in credit and identity theft monitoring to provide services tailored to address potential risks. In the coming weeks, OPM will begin to send notification packages to these individuals that will provide greater detail on the services.
3. Additional resources will be forthcoming in the coming weeks such as a call center to respond to questions and provide more information. In the interim, individuals are encouraged to visit the following site, <https://www.opm.gov/cybersecurity>, a new, online incident resource center to offer information or email [DOD.DATA.BREACH.QUESTIONS@MAIL.MIL](mailto:DOD.DATA.BREACH.QUESTIONS@MAIL.MIL). Individuals will not be able to receive personalized information until notifications begin and the call center is opened.
4. Enclosed are several other documents that provide greater detail on the incident, who was effected, OPM and DOD resources, and information on how to monitor your personal information and identity.
5. Questions regarding these instructions may be directed to CW4 Dale Williams, Deputy Director of Human Resources at 503-584-3853. Additionally you may contact me via e-mail at [dale.a.williams.mil@mail.mil](mailto:dale.a.williams.mil@mail.mil).
